

FOREWORD

The District Disaster Management Plan (DDMP) includes the facts and figures that have been collected from various sources with a view to meet the challenges during any Natural Disaster. The plan has been prepared with the following viewpoints;

1. Disaster Management Plan is a continuous process of updation of data and strategies
2. In a crisis situation all people are not equally affected
3. Involvement of Women and PRIs is a must in the entire process.

The plan deals with Risk Assessment and Vulnerability Analysis, identification of Disaster Prone Areas, Response Structures, Inventory of Resources, Mitigation measures, Standard operating procedures, Directory of Institutions and key individuals, etc. The plan is prepared to help the District Administration focus quickly on the essentials and crucial aspects of both preparedness and response.

It is hoped that the District level officials who are in-charge of different departments will carefully go through the DDMP and remain alert to emergent situations that may arise in the course of the year. The DDMP seeks to serve as a useful handbook of operational guidelines for the Officers of the District Administration. It is expected that Field Officers working in Barpeta District in all the Departments will thoroughly acquaint themselves with these guidelines. A word of caution may be mentioned, however, plans are useful and work only if they are updated and practiced through intensive mock exercises and simulations.

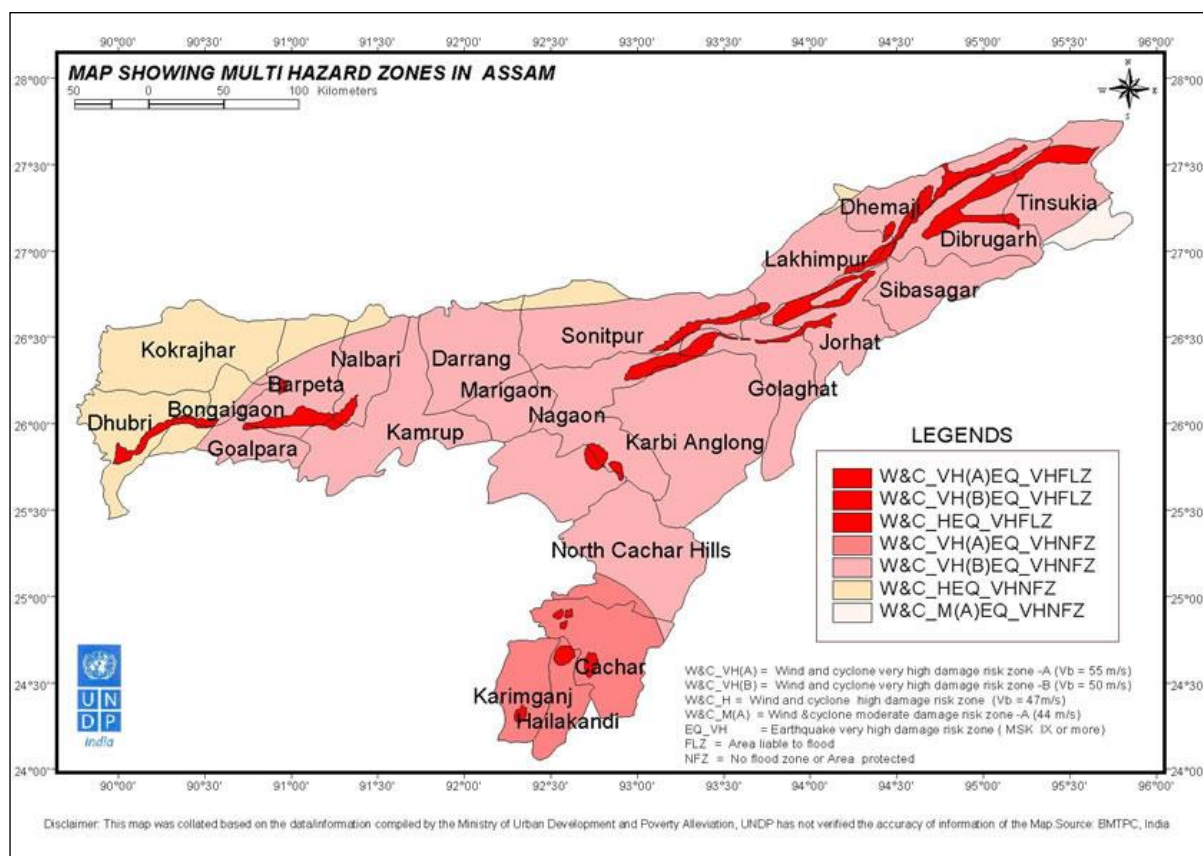

(Ayush Garg, IAS)
District Commissioner & Chairman
District Disaster Management Authority, Barpeta

CHAPTER I MULTI HAZARD DISASTER MANAGEMENT

Introduction: Concepts of Disaster Management

A disaster is an event that causes the sudden disruption to the normal life of a society and causes damage to property and lives, to such an extent that normal social and economic mechanisms available to the society are inadequate to restore normalcy. Preparedness for natural disaster alleviates human misery. Though no amount of preparedness is enough, an attempt is made through this plan to negotiate with all the probable hazards in the district and their aftermath.

Typology of disaster- A disaster can be either natural [rain, flood, cyclone, storm, landslides, earthquake, volcanoes etc.] or man-made [war including biological, arson, sabotage, riots, accident (train, air, ship), industrial accidents, fires (forest fires), bomb explosions, nuclear explosions and ecological disasters]. The discussion here is confined to the natural disasters. Pre-Independence, droughts and famines were the biggest killers in India. The situation has changed due to a combination of factors like irrigation development, food security measures. Floods, cyclones, droughts, landslides, avalanches and earthquakes are some of the major natural disasters that repeatedly and increasingly affect the country.

District Disaster Management Plan 2024-2025, Barpeta

Background to preparing the DDMP

Vulnerability of the Barpeta District towards disasters, both natural and man-made is widely recognized. The district is vulnerable towards natural disasters like; floods, storms, droughts, earthquakes, fire accidents and the like. Losses caused by disasters continue to mount year after year. The need for an effective disaster management strategy to lessen disaster impact is being felt in many quarters and also for strengthening of organizational structure for disaster management. Along with, regular updating of Codes/Manual/Disaster Plans on the basis of experience gained and technological developments should be done.

It was felt that the generic categorization of disasters would help in preparing disaster management plans. This generic categorization of disasters is in no way intended to disturb handling of specific disasters by various departments.

Precise actions, procedures and responsibilities have to be laid down well in advance in order to ensure timely response in case of any disaster. Therefore, a mechanism that takes into account multiple hazards and basic preparedness has to be articulated in the form of Quick Response Teams, Quick Assessment Teams, Reporting Procedures, Checklist and Handbooks. The mechanism also lays down crucial parameters, requirements and organizational composition of Emergency Operations Centers and Incident Response Systems.

The Disaster Management Plans have been formulated starting from the village level up to the district level. The plan clearly indicates the role and responsibility of each player of the team. The Deputy Commissioner in the district level, SDO in the Sub-Divisional level and the Circle Officer in the Revenue Circle level will head the team. The Sarpanch is the key player in GP level and the Community with guidance of Village Disaster Management committee formulates and carries out this plan in the village level. Civil society organizations also play a vital role during the implementation of this plan in the field.

For preparation of the District Disaster Management Plan covering all aspects of disaster, few workshops were organized with all the officers from the various line departments, Revenue Circle Officers and Block Development officers. They found that the existing flood plan was not a fully-fledged and comprehensive one. They felt that the DDMP should be prepared for all sorts of disasters.

The identified points were:

- Pre-positioning of men and material
- Delegation of powers
- Evacuation and rescue operation
- Identification of Authorities in different field
- Coordination and monitoring system
- Communication
- Documentation
- Post Calamity preparation
- Relief Operation
- Formation of GP level Committee
- Effective functioning of the DCR

Objectives:

The objectives behind the preparation of the District Disaster Management Plan is-

District Disaster Management Plan 2024-2025, Barpeta

- ✚ To mitigate impact of natural and man-made disasters through preparedness at District, Block, Gram Panchayat and Village level.
- ✚ To provide effective support and resources to all the concerned individuals, groups and departments in disaster.
- ✚ To identify all common elements of response.
- ✚ To assist the line departments, block administration, communities in developing compatible skills for disaster preparedness and management.
- ✚ To disseminate factual information in a timely, accurate and tactful manner while maintaining necessary confidentiality.
- ✚ To develop immediate and long-term support plans for vulnerable people in/during disasters.
- ✚ To create awareness among the people about hazard occurrence and increase their participation in preparedness, prevention, development, relief, rehabilitation and reconstruction process.
- ✚ To have response system in place to face any eventuality.
- ✚ To affect or elicit the least possible disruption to the normal life process when dealing with individuals in disaster.
- ✚ To identify the available resources including manpower, material, equipment and adequate delegation of financial and administrative powers for successful operation of the DDMP.
- ✚ To ensure active participation by the government administration, communities, NGOs, CBOs and volunteers at all levels making optimal utilization of human and material resources at the time of disaster.

CHAPTER-II

District Profile

Overview of the District:

Barpeta district with its H.Q. at Barpeta was created and started functioning from 1st July'1983. The district is spread across 2282 sq. kms within 26°45' to 26°49' North latitude and 90°45' to 90°15' East latitude. It is surrounded by Bhutan Hills in the north, Nalbari and Baksa districts in the east, Goalpara and Kamrup districts in the south and Bongaigaon and Chirang districts in the west. Total population of the district is 16,93,622 (2011 census) with a population density of 632 per sq.km. and sex ratio of 1000:941. In spite of having a fairly low share of urban population (7.62%), Barpeta has experienced moderate growth rate (18.53) in the previous decade (1991-2001). Within Assam, Barpeta has the high percentage of vulnerable population i.e. population below the age of 6 and above the age of 60 (16.57% and 5% respectively). Even though Barpeta has relatively high per capita income (Rs. 8,089/annum) it has high number of unemployed workers (both male and female). With relatively high annual rainfall (2,570 mm), Barpeta is highly flood prone with 69% of its area being affected by at least one flood in the last 10 years. The soil in this region is sandy loam and therefore about 6% of area is frequently affected by gully erosion. With moderate sanitation and safe drinking water facility (around 40 %) Barpeta is highly prone to health and water related diseases. With very few hospitals (3 per 1,00,000 people) this water and health problems may aggravated during the periods of flood. With the average land holding being around 1.13 Ha, the houses (predominantly rural) within Barpeta are made out of thatch, bamboo, wood or mud. Even though these houses are little affected by earthquakes, the structures are more likely to be affected by floods and storms.

The *major rivers* flowing through the district, which also causes annual floods and riverbank erosion etc., particularly in the char areas, leading to a considerable loss of life and property are Brahmaputra, Beki, Manas, Pahumara, Kaldia, Bhelengi, Nakhanda and Chaulkhowa.

District Disaster Management Plan 2024-2025, Barpeta

Administrative setup:

The district at present comprises of 8 Revenue Circles (viz. Barpeta, Barnagar, Kalgachia, Chenga, Sarupeta, Bajali, Sarthebari and Baghbor), 11 Development Blocks (viz. Barpeta, Sarukhetri, Chenga, Gobardhana, Bhawanipur, Chakchaka, Pakabetbari, Mandia, Rupshi, Bajali, and Gumafulbari), 12 APs, 129 GPs, 26 Mouzas, and 850 Revenue Villages. It has 10 Police Stations, 2 Municipal Boards (viz. Barpeta and Barpeta Road) and 5 Town Committees (viz. Sorbhog, Sarthebari, Patacharkuchi, Pathsala and Howly).

SL. NO.	PARTICULARS	DETAILS IN FIGURE
1	Geographical Area	1933.28 Sq. Km.
2	Population	16,93,190 nos., Male: 8,67,89 nos. Female: 8,25,299 nos. (As per 2011 census)
	Literacy Rate	65.03 %. Male: 70.72 % & Female: 59.04 % (2011 Census)
3	No. Of Sub-District	4 nos. (Barpeta,Chenga,Pakabetbari & Mandia)
4	No. Of Revenue Circles	06 nos. Barpeta, Baghbar , Barnagar, Chenga, Kalgachia, Sarthebari .
5	No. of Blocks	9 nos. Barpeta Development Block , Chakchaka Development Block, Mandia Development Block, Gabardhana Development Block, Gumafulbari Development Block, Chenga Development Block, Paka Betbari Development Block, Sarukhetri Development Block, Rupshi Development Block.
6	No. Of Gram Panchayats	98 nos.
7	No. of Towns	05 Barpeta, Howly, Sarthebari, Barpeta Road & Sarbhog
8	No. Of Villages	641 nos.
9	Total Nos. of Police Stations	8 nos.
10	Major Rivers	8 nos. Brahmaputra, Beki, Kaldia, Manas, Pahumara, Nakhanda, Chaulkhowa and Bhellengi.
11	Communication Facilities	Bus, Railway and Water transport

The economy of the district is agrarian in nature with about 75 percent of the work force engaged in agriculture. The sectorial income share of the district shows that 71 percent of the income share accrues from agriculture. Around 67.2 percent of the total net cropped area is occupied by small and marginal farmers (SF/MF). The Agro-climatic condition of the district is conducive for growing various types of cereals, pulses, oil seeds, fibre crops, tuber crops and various types of summer and winter vegetables. Paddy, the main crop in the district, is grown in about 2.011 lakh ha area followed by mustard, pulses, wheat jute and various type of summer and winter

vegetables and spices (chilli, onion etc.). The average area under HYV is about 1.343 lakh ha. which forms only 43 percent of the gross cropped area and the rate of fertilizer consumption is 34 kg./ha. This district ranks first in the state in the production of Potato and enjoys a virtual monopoly in production of rabi vegetables. Barpeta is also one of the major producers of fruits in the state. The secondary sector contributes 12 percent of the Gross District Domestic Product. The secondary sector comprises mainly the SSIs. The total number of SSIs in the district as is 1582. The district has been designated as Industrial growth centre. However, the pace of progress has been rather tardy. 82 percent of the SSI units are under handicraft while 18 percent are agro based. The district is industrially backward due to deplorable communication system, shortage in power supply and lack in marketing infrastructure etc. The district also has a fair amount of sericulture units. The district has a rich tradition of household industry comprising of bell and brass metal, pottery, wood craft, mask making, ivory carving, and traditional Assamese jewellery making which provides livelihood opportunities to some 5 percent of the working population in the district. The tertiary sector accounts for 17 percent of the Gross District Domestic Product. The comparative low share of the sector also indicates that the work force in other worker's category in the district is also lower (38 percent).

CHAPTER-IV

INSTITUTIONAL FRAMEWORK (District Level)

District Disaster Management Authority

1.	Deputy Commissioner	Chairman
2.	Chairperson of Zila Parishad	Co-Chairman
3.	ADC (Disaster Management)	C.E.O. & Member Secretary
4.	Superintendent of Police	Member
5.	Joint Director, Health & Family Welfare Service	Member
6.	Executive Engineer, PWD, Roads & Building	Member
7.	Executive Engineer, Water Resource	Member

Responsibilities of the Deputy Commissioner, Additional Deputy Commissioner, Project Officer (ASDMA), SP, Circle Officer and BDO's:

Roles and Responsibilities of the Deputy Commissioner:

PREPAREDNESS & MITIGATION MEASURES (AT NORMAL TIME)

1. Once a quarter, check that the database for multi hazard state DM plan is updated. The nodal officer of state control room is to update the database & report to the State Relief Commissioner recurring, in a specified time.
2. Once a month check that all equipment in the District Emergency Operation Centre / Control Room is functional & the maintenance is carried out as per the maintenance manual of each equipment (each equipment like SAT phone, VHF-radio set, FAX, computer with printer & E-mail, generator, telephone, mobile phone & any other equipment in DEOC must have a maintenance manual & all records on maintenance up to date duly authenticated with sign of SEIO). All the boards, maps, charts, registers & documents are laid out as per the SOP (SOP must give out every aspect of DEOC in great details including duties & responsibilities of each functionaries, clear guide lines for handling & maintenance of all equipment, check list of all maps, boards & charts, registers, documents & manuals etc.). An inspection register will be maintained for this purpose & the SEIO after each inspection will enter the date of inspection, name & sign.
3. Quarterly review meeting of all line departments in respect of all disaster preparedness & mitigation activities like strengthening of embankments, construction/strengthening of vulnerable roads, construction of multipurpose safe shelters, digging/renovation/repair of tube wells with raised platforms for drinking water, arrangements for stocking of relief materials, equipment, medicines, hygiene & chemicals before disaster season etc.
4. Fresh Training for all newly posted /refresher training of all old officials in disaster management who are part of state DMC & DMT to be carried out in a planned manner once a year. A register will be maintained in the DEOC where the names of trained personnel will be recorded giving the dates of training duly signed & authenticated by the SEIO. Whenever the officer is posted out a note to this effect will be recorded in his/her relieve order giving the details of training attended so that the person is available in the new location for disaster management & duplication of effort for training is avoided.

5. Training of officials who will man the DEOC in the 24-hour cycle for the entire disaster season to be completed in time.
6. The NGO/volunteers/NCC/NSS/NYKS/Scout & guide co-ordination meetings are held every month & their activities especially for DM is fully co-coordinated based on their experience & expertise. The area of each NGO should be clearly known to each NGO as well as district administration. The activities should be co-coordinated right till village level. The list of NGOs/specialized NGOs/Volunteers to be available in the area of operation from village to district & a master list giving details of each area to be maintained in the DEOC.
7. Lat-Long of vulnerable areas, schools/shelters, helipads & dropping zones should be available with the DEOC.
8. Awareness campaign strategy before the disaster season in terms of warning dissemination procedures, individual/house hold safety tips etc. planned.
9. Coordination meeting of stockists is held every quarter & emergency level of stocks to be maintained by each stockist for food stuff, mineral water, medicines, blood, kerosene, diesel, petrol, daily use house hold goods like candles, match boxes etc. are updated in the data base.
10. Meeting of transporters is held every quarter & database of transport requirement & the minimum vehicles to be provided by each transporter is up dated.
11. Media Management & awareness Campaign Strategy meeting to be reviewed every six months for co-ord & implemented before every disaster season & actual disaster periods.

PRIOR TO COMMENCEMENT OF DISASTER SEASON

1. The multi hazard disaster management plans of the district to be complete in all respects with latest up to date database. Certified reports to be submitted by DCs with up to date database are ready.
2. Fully equipped & operational DEOC. Equipment are checked for functionality. Communications tested & established with IMD, Revenue DEOC, and departmental control room, District DEOC. All batteries are fully charged & generator at DEOC put to trial run for atleast for continuous 2 - 4 hours. Report to the extent that all actions are complete & the DEOC & its equipment are fully operational is given to Deputy Commissioner by SEIO.
3. All members of state DMC & DMT are fully trained & aware of their roles & responsibilities as per the DM plan.
4. All persons to man the DEOC are fully trained & aware of their responsibilities.
5. Duty roster for DEOC prepared & all informed.
6. All storage godowns & safe shelters of all the vulnerability pockets are cleaned, maintained, fully stocked as per the DM plans. Certified fortnightly reports to this effect given by DC in respect of all blocks and circles even villages.
7. Meetings of DMCs are conducted & all functionaries of different department are to be fully apprised of their roles as per the DM plans.
8. All equipment like boats, dozers, earthmovers, road clearance equipment etc. are operational & placed at most vulnerable points by the concerned line departments/SEIO in consultation with the state nodal officer for DM and Relief Commissioner as per the appreciation carried out in the DM plan.
9. Preparedness activities of all line departments like strengthening of embankments, sinking/repair of tube wells & ensuring raised plat forms/raised grounds so that they do not get

sub merged, stocking of medicines & allocation of medical/Para-medical staff as per the DM plan, operationalization flood gauges & rain gauges with communication facilities etc. are completed in all respects & certified completion report submitted to the Relief Commissioner.

10. For earthquake prone areas, the identification of risk and vulnerable structures, buildings, land slide prone areas, possible threat areas are to be done. Deployment of volunteers, doctors, nurses, beds, food materials with drinking water is to be arranged.

11. Mock drills conducted at all levels & report furnished to dist. collectors. (Some Govt. officers are designated for each mock drill who supervise & report to the authority with recommendations for any additions /deletions)

12. Co-ordinate with the NGO is complete & each NGO is aware of their areas of operation & level of participation.

13. Co-ord meeting of all the stockiest held & each one given the level of emergency stocks that they have to maintain during the disaster season (dry foods, kerosene, petrol, diesel. medicines, blood, candles, match boxes, daily house hold items etc.

14. Awareness campaign launched as per plan.

ON RECEIPT OF WARNING

72 HOURS PRIOR (All are warned, normal activities to continue, movement of vulnerable community like fisher men are restricted if special warnings issued)

1. DEOC activated & made functional on 24-hour cycle. Message IN & OUT registers are maintained & SEIO kept informed on minute-to-minute basis.

2. Exact details of the implications of the warning checked from the IMD & state DEOC.

3. Warning with clear directions for the Govt. officials, NGOs especially for the vulnerable community are passed through the fastest means of communication & checked back for accuracy at the other end.

4. Duplicated communication is established with the important departments, IMD & all the districts, subdivisions and blocks.

5. Meeting of the DMC, line depts. & NGOs involved in DM is held & clear directions for each ones responsibilities are spelt out as per the DM plan

6. Warning issued to disaster managers to check their men, material & equipment as per the checklist & vulnerable communities check their response mechanism as per the household & individual checklist in accordance with DM plan.

7. Stocking of all safe shelters is checked & those NOT stocked are immediately stocked.

8. Strengthening of all individual & community houses completed.

9. Areas for animals cleaned & re earmarked if required. Animal fodder & feed stocking has to be done.

48 HOURS PRIOR TO DISASTER

(Preparation to move by disaster managers & vulnerable community commences & out door movement in most vulnerable areas restricted if warnings received)

1. All the equipment of the DEOC especially the communication equipment are thoroughly checked & all back-up battery fully charged & positioned. Generators are re checked for functionality & fuel checked & stored properly.

2. Connectivity status of each districts, police stations, wireless stations, vulnerable points rechecked & chart at DEOC up dated with information to state DEOC's. Duplicated communication including police channels tested.

3. All the stockiest are warned to keep assured level of stocks to move at short notice.

4. All transporters warned to keep the assured vehicles to be hired at short notice.

5. All rescue & Evacuation equipment moved to most vulnerable pockets located in far-flung areas.

6. All disaster managers complete preparations to move. Disaster managers with men, materials & equipment moved to inaccessible pockets.
7. All preparations for move to safe shelters by vulnerable community completed.
8. All dist. admin for mutual aid scheme complete preparations as per checklist to move men, material & equipment.
9. All NGOs/volunteers/NCC/NSS/NYKs/Scouts & guides personnel briefed about their area of operations & ready to move. Move to inaccessible pockets starts.

12 HOURS PRIOR

(Move to safe shelters by vulnerability community, move of disaster managers & volunteers with complete equipment, material & men completed to designated vulnerable areas & out door movement restricted).

1. All vulnerable personnel are asked to shift to safe shelter.
2. All the task forces are put into operation.
3. All the NGOs & volunteers are put into operation as per their area of responsibility & their activities monitored through the concerned Govt. officials.
4. The stockiest warned to keep their stocks ready to move at short notice.
5. Media/public briefing systems activated on 6hourly basis.
6. The transports as per the plan are hired as per requirement. Other transport is kept warned for a state of readiness.
7. The progress is constantly monitored.
8. The dist. not likely to be affected & planned to provide mutual aid during disaster stage forward their resources & operationalize their support process.
9. In case of a warning that the cyclone has abated or changed course the same should be confirmed from authentic sources like the IMD or State Control room & information passed to all to stand down.
10. Information to National control room regularly.
11. In most vulnerable pockets OIC disaster site/incident commanders notified.

ACTIONS ON DISASTER

1. Nominated incident commanders/OIC disaster site at each of the sites start operations to supervise rescue & Evacuation, relief & restoration operations.
2. Co-ordinate all activities through incident commanders/OIC disaster site.
3. Opening of site control room with dist. Admn.
4. Those requiring immediate medical treatment are moved to dist. /medical college hospitals as per the priority of evacuation spelt out by the attending doctors.
5. The incident commanders/OIC disaster site assisted by the Magistrates /NGOs carry out an immediate assessment after reconnoitre & survey to identify the damages, casualties, gaps/short falls in terms of food, water, medical aid, clothing, shelter & send the demand to the DEOC.
6. The men, material & resources are moved as per the requirements & priority lay out by the OIC/ incident commander & short falls are moved from the other dists/state.
7. Temporary shelters, kitchens, water points are organised & operationalised.
8. Sanitary checks & disease surveillance are put into operation.
9. Arrangements for animal camp & fodder organised.

10. Carcass disposal teams if required are activated.
11. A detailed assessment is carried out for damage, casualties, resource shortfall by deploying additional officers with support from the NGOs/Volunteers, PRI & community after reconnaissance & survey.
12. Regular review meeting with line departments, NGOs.
13. All DCs are to send daily SITREP from district DEOC on 6hrly basis.
14. Continuous flow of information & national authorities kept informed of latest details.

POST DISASTER ACTIVITIES

(Depending on the situation but preferably after three days)

1. Compilation of departmental damage report and report from District authorities.
2. Assistance in terms of food material, medicines, and clothing, cooking utensils provided to the affected population controlled through DEOC & incident commander/OIC of the disaster site.
3. All stores & materials are moved as per the detailed assessment & distributed under the supervision of Govt. officers, volunteers & responsible representatives from the community.
4. Ensure of all drinking water sources are disinfected & activated by concerned dept.
5. Disinfections of the disaster site carried.
6. Disease surveillance to check occurrence of epidemic if any & preventive measures.
7. Trauma counselling if required is carried out for affected population.
8. A team of Govt. officials, NGOs/ local senior citizens consisting of specialists from all fields is immediately asked to prepare a detailed report starting from the activities from pre disaster season to the disaster & post disaster period bringing out all aspects of preparedness, response, restoration, rehabilitation, the detailed causes of damages & casualties & deficiencies noticed in the plan. The detailed report must be completed in all respects & submitted within 30 days

POINTS FOR CONTINUOUS PLANNING, INNOVATIVE THINKING & IMPLEMENTATION

1. All developmental plans approved by state / dist. authorities are considered from disaster mitigation angle.
2. Continuous planning & execution of plans for providing sustainable livelihood for most vulnerable communities.
3. Implementation of the coastal eco system management is continuously monitored & all violations checked.
4. Alternate safe housing technology along with rainwater harvesting structures is constantly encouraged & mainstreamed for long-term vulnerability reduction.
5. Continuous Awareness campaign & encouragement for Disaster proof Habitat planning at community level including shifting from low lying areas to safe raised places. grounds.(with some incentives if feasible).
6. Disaster management including first-aid & rescue & evacuation as a compulsory part of school, college, educational institutions (both techno-tech) curriculum starting from primary level.
7. Equipping each PHC/CHC/ hospitals to provide training in first-aid round the year & making it compulsory for all citizens to learn first –aid. (Test on first-aid compulsory for any entrance exam including entry into +2 level college/school, as part of test for driving license for two wheeler upwards etc.)

District Disaster Management Plan 2024-2025, Barpeta

8. One centre school/college in each GP, two at block & four at dist. equipped to provide training in rescue & evacuation round the year.

Roles and Responsibilities of the Additional Deputy Commissioner (ADC):

CHAPTER-V

DISTRICT EMERGENCY OPERATION CENTRE (DEOC) (CONTROL ROOM)

DEOC (Control Room):

District Emergency Operation Centre will function as Control Room and has been set up to help the Disaster Management Team members to understand the structure and functioning of District Control Room. Following the important Three C's i.e. Command, Control and Communication for effective response in an emergency, we will be able to minimize the hardships of the community and improve the quality of the process of recovery. This control room will be able to provide timely, supported and well thought –of interventions to the grass root staff as well as volunteers as it will be the hub of three C's.

Purpose of the Control Room:

The District Control Room under the control of Deputy Commissioner will operate round the clock and will be the nerve center to

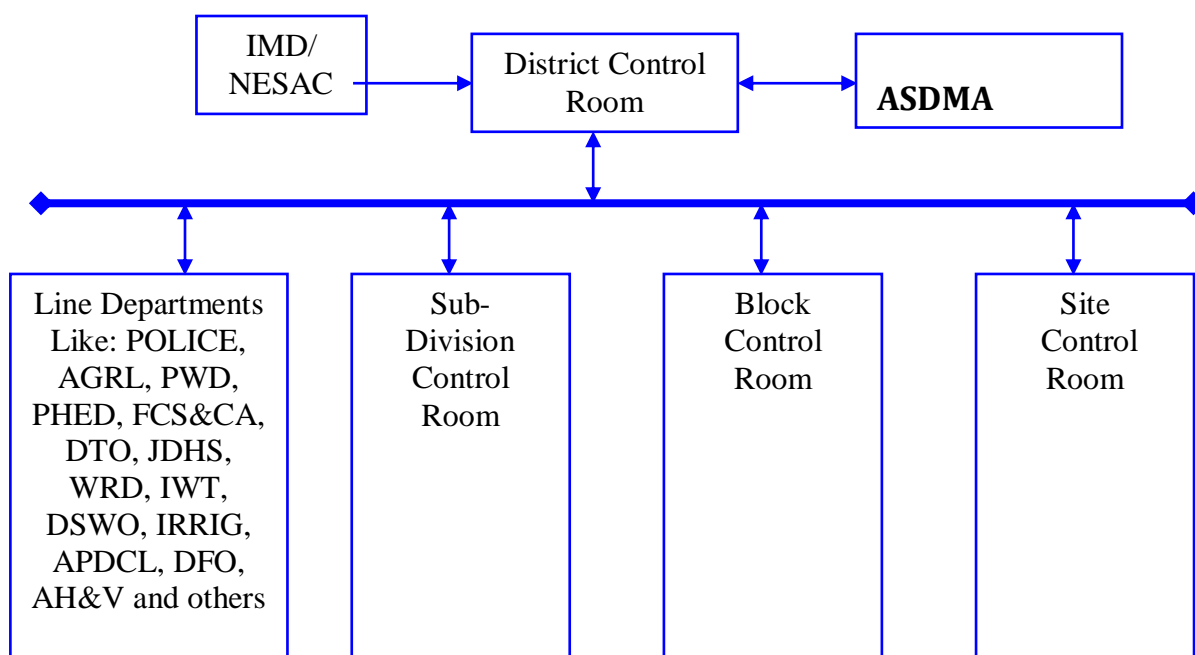

- ❖ Monitor
- ❖ Co-ordinate
- ❖ Implement the actions/activities for Disaster Management.

In a disaster time the District Control Room will operate under the central authority of the Deputy Commissioner, exercising emergency power to issue directives to all departments to provide emergency response service. He will also co-ordinate with the State Response Machinery like: State Relief Commissioner, Assam, Dispur and Assam State Disaster Management Authority for appropriate support and smooth flow of information. The Control Room should be manned round the clock. The District Control Room is placed in the DC's Office, Golaghat.

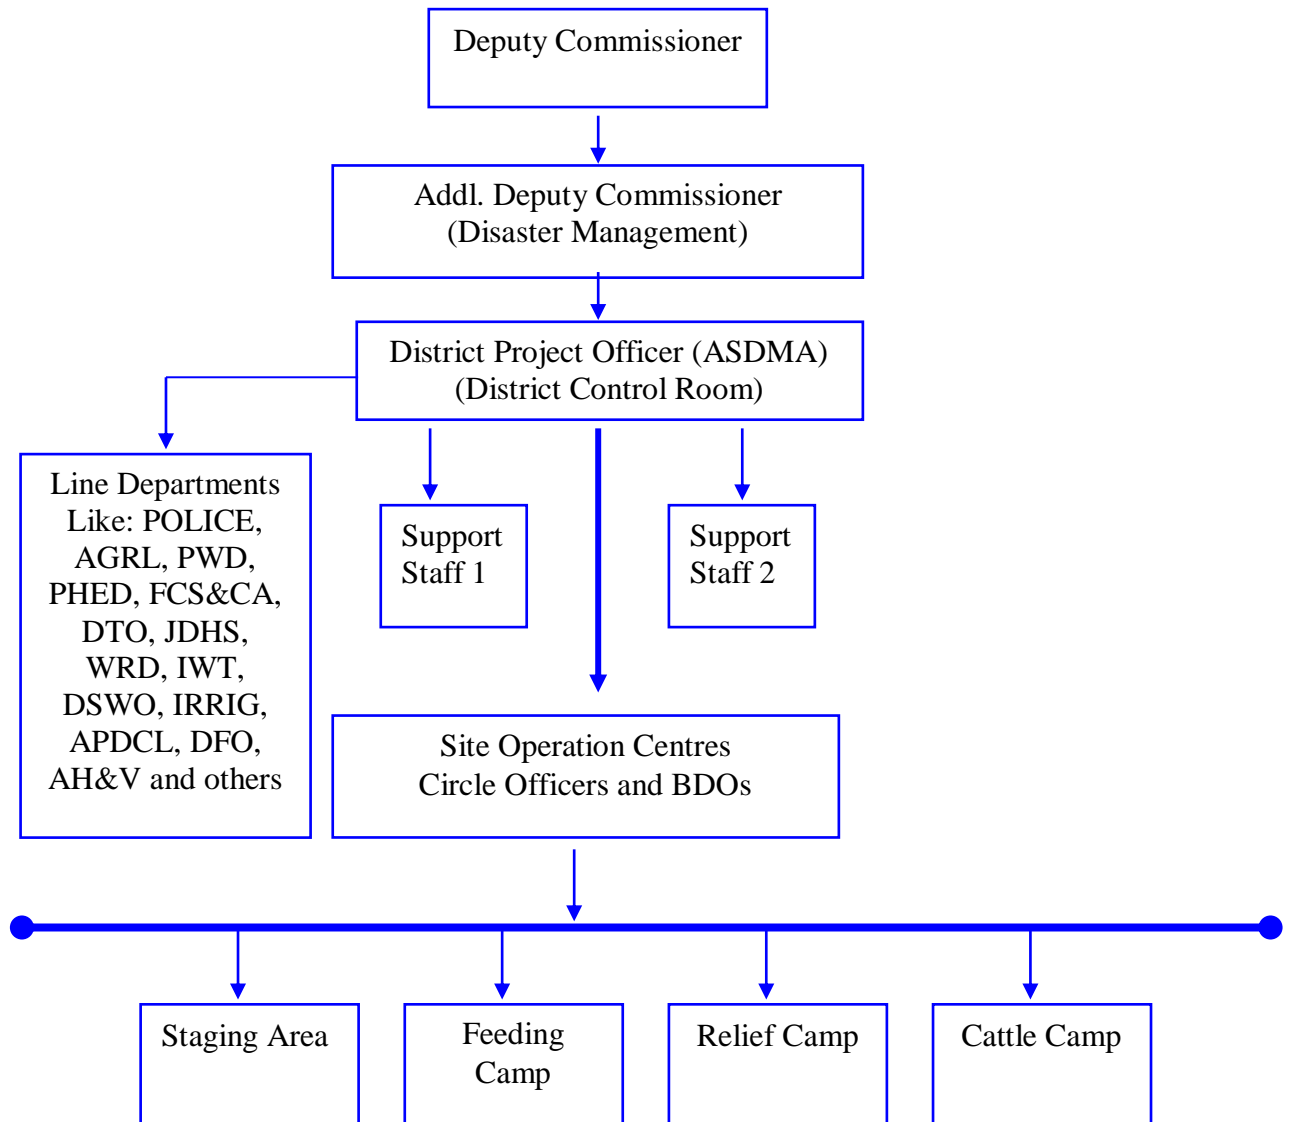

Disaster Management Information Centre:

DEOC will also function as Information Centre. Disaster management information centre will work as the nerve centre for all emergency events and disasters and is the hub of all activities. The principle role involves collection of data, analysis and dissemination of information to all relevant organisations. It coordinates the flow of information with respect to activities associated with relief operations. During the normal times it maintains a systematic database of the resources available, important phone numbers, names and addresses of important government and non-government officials, international bodies, NGOs etc.

Information Flow Chart of the DCR:

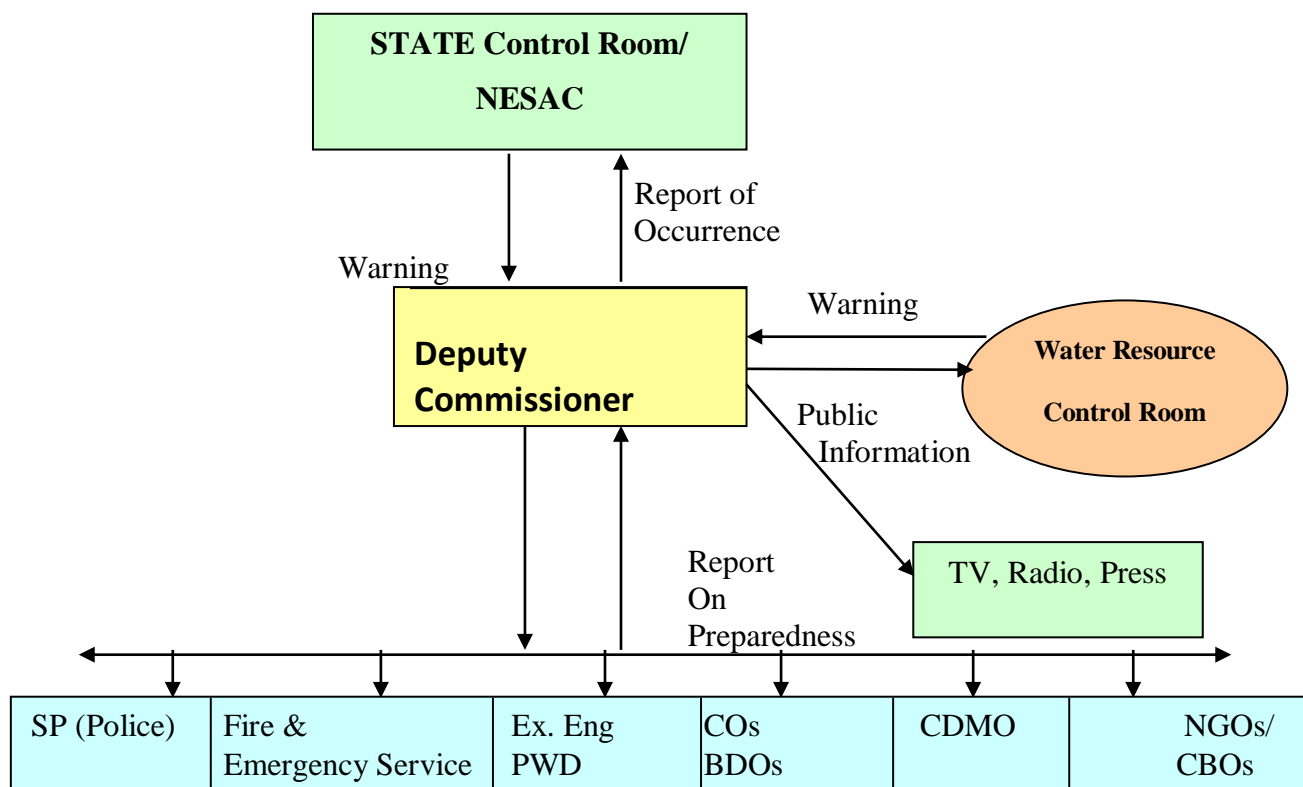

Co-ordination Structure at District Emergency Operation Centre:

Scope of Work of the District Control Room:

Time Frame	Activity
Normal Time	<ul style="list-style-type: none"> ❖ Ensure that all warning and communication systems, instructions are in working condition ❖ Receive information on a routine and regular basis from the departments on the vulnerability of the various Gram panchayats and Villages to disaster ❖ Receive reports on preparedness from the relevant district level departments and other departments, as per as the formats. Based on these reports, the DCR will forward the Preparedness Measures details on behalf of the Collector to the Revenue Control Room, Special Relief Commissioner and ASDMA ❖ Upgrade and update DCP according to changing scenarios in the district update data bank and maintain an inventory of resources. ❖ Update all information in the GIS. ❖ Inform Revenue Control Room, Special Relief Commissioner and ASDMA of any changes including updating of data bank and annexure ❖ Monitor preparedness measures including simulation exercises undertaken by various departments. ❖ Ensure proper dissemination of DCP at the district level, local level and disaster prone areas. ❖ Identify appropriate NGOs/Private Sector Organizations, which can be assigned the task of community level preparedness. ❖ Organize post-disaster evaluation and update DCP accordingly ❖ Prepare reports and documents on district level disaster events and submit the same to Revenue Control Room, Special Relief Commissioner and ASDMA
Disaster Time	<ul style="list-style-type: none"> ▪ Weather tracking and early warning dissemination ▪ To collect and transmit information regarding matter relating to natural calamity. ▪ Mapping of vulnerable areas ▪ Database on civil society organizations and their activities ▪ Database on volunteers ▪ Facilitate regular meetings of civil society organizations and issue updates ▪ Flow of information to central control room in Relief Commissioner's office and ASDMA ▪ District level training of officials and NGOs in emergency response ▪ Men and material management in emergencies with proper inventorization.

Early Warning Dissemination:

Suggested Performa for “In” Message

Date	Time of receipt	In Message Sr. No.	Received From	Addressed To	Message transferred to	Copies to	Mode (WT/Tel/ Message of receipt)	Instruction/ Follow up to be done	Remarks

Suggested Performa for “Out” Message

Date	Time of dispatch	Out Message Sr. No.	Related In Message No. If any	Addressed From	Addressed To	Copies to	Mode (WT/Tel/ Message of receipt)	Instruction/ Follow up to be done	Remarks

Standard Operating Procedure for Flood Early Warning System:

Procedures to be followed at District level:

Role of Deputy Commissioner:-

Deputy Commissioner on receipt of Flood Warning will direct CEO,DDMA to pass the information for taking necessary measures to-

1. The concerned SDO (Civil)
2. Revenue Circle Officers
3. Superintendent of Police
4. Executive Engineer WR Deptt.
5. Executive Engineer PWD (roads)
6. Station Officer, Fire & Emergency Service Station & I/C State Disaster Response Force (SDRF)/ National Disaster Response Force (NDRF).
7. Deputy Commissioner will take periodic feedback on the development taking place.

Role of C.E.O, DDMA, Barpeta

CEO, DDMA will inform

1. All the above mentioned officers
2. Superintendent of Police
3. Dy. Director, FCS&CA
4. Joint Director Health & Family Welfare Service
5. District Veterinary Officer

CHAPTER VI

Mitigation Plan

Sector wise Vulnerability Reduction Measures:

Type of Sector	Sub-Sector	Mitigation Measures	Responsible Department/ Personnel	Time Frame
Infrastructure Development	IEC Activities	<ul style="list-style-type: none"> • Distribution of leaflets , posters & wall painting • Awareness generation programme in schools and colleges, conducting • Organizing staff development and refresher training to concerned dept., task force team NGO and CBOs • Conduct regular Mock Drill 	DIPRO & DDMA, Barpeta	Throughout the year (With regular Intervals)
	Road	<ul style="list-style-type: none"> • Identification/ repair of main and alternative routs • Repair of identified vulnerable points. • Conversion to pucca roads of all Village roads 	PWD , RD and Block	During normal Time & Immediately after disaster
	Embankment	<ul style="list-style-type: none"> • Strengthening and raising the height of weak embankments, points • Storage of flood fighting materials like sandbags, bamboo's mats etc. 	Water Resource / Irrigation Dept.	During pre-flood Season
	Bridges	<ul style="list-style-type: none"> • Regular maintenance of Bridges 	PWD , (Road)	During normal Period
	Safe Shelters	<ul style="list-style-type: none"> • Ensure Maintenance of the Flood shelters • Identification of places for preparation of mounds and cattle shelters • Ensure multipurpose use of shelters by community, schools, NGOs, CBOs. 	COs, BDOs, Inspector of School, DEEO and NGOs	During normal Period
	Communication	<ul style="list-style-type: none"> • Ensure proper maintenance of Telephone, FAX, Wireless & VHS sets. • Ensure timely setting of Wireless Stations in 	BSNL, ASDMA, SP Signal	April-May

CHAPTER VII

Response Plan

INCIDENT RESPONSE SYSTEM

Incident Response System (IRS) is a mechanism which reduces adhocism in response through a well-conceived team. It incorporates all the tasks that may need to be performed during the response. It identifies and pre-designates officers to perform various duties and get them trained in their roles. It is also a flexible system and only those Sections / Branches may be activated in the team which is required to meet the disaster situation.

RESPONSIBLE OFFICER:

The Responsible Officer (RO) is the senior most officer in the hierarchy of state and District Administration. At the state level, the chief Secretary (Chairperson of SEC) and at the District level, the District Magistrate/ District Collector (Chairperson of DDMA) will be the Responsible officer. Such officer is the overall In-charge in the management of emergency response at the respective administrative levels.

The suitable officers to man various positions of Command Staff in the incident Response Teams at different levels of District administration are as follows:

Roles and Responsibilities:

- i. Ensure that IRTs are formed at District, Sub-Division, Tehsil/Block levels and IRS is integrated in the District DM Plan as per Section 31 of the DM Act, 2005. This may be achieved by issuing a Standing Order by the RO to all SDOs, SDMs and Tehsildars/BDOs;
- ii. Ensure web based / on line Decision Support System (DSS) is in place in EOC and connected with Sub-Division and Tehsil / Block level IRTs for support.
- iii. Ensure that toll free emergency numbers existing for Police, Fire and Medical support etc. are linked to the EOC for response, command and control. For e.g., if there is any fire incident, the information should not only reach the fire station but also the EOC and the nearest hospital to gear up the emergency medical service.
- iv. Obtain funds from State Government as recommended by the 13th FC (Annexure –XVI) and ensure that a training calendar for IRTs of District is prepared and members of IRTs are trained through ATIs and other training institutions of the District.
- v. Delegate authorities to the IC.
- vi. Activate IRTs at District headquarter, Sub-Division, Tehsil / Block levels, as and when required.
- vii. Appoint / deploy, terminate and demobilise IC and IRT(s) as and when required.
- viii. Decide overall incident objectives, priorities and ensure that various objectives do not conflict with each other.
- ix. Ensure that IAP is prepared by the IC and implemented.
- x. Remain fully briefed on the IAP and its implementation.
- xi. Coordinate all response activities.
- xii. Give directions for the release and use of resources available with any department of the Government, Local Authority, private sector etc. in the District.
- xiii. Ensure that local Armed Forces Commanders are involved in the planning process and their resources are appropriately dovetailed, if required.

- xiv. Ensure that when Armed Forces arrive in support for disaster response, their logistic requirements like camping grounds, potable water, electricity and requirement of vehicles etc. are sorted out.
- xv. Appoint a NO at the District level to organise Air Operations in coordination with the State and Central Government NO. Also ensure that all ICs of IRTs of the District are aware of it.
- xvi. Ensure that the NGOs carry out their activities in an equitable and non-discriminatory manner.
- xvii. Deploy the District Headquarter IRTs at the incident site, in case of need.
- xviii. Ensure that effective communications are in place.
- xix. Ensure that telephone directory of all ESF is prepared and available with EOC and members of IRTs.
- xx. Ensure provision for accountability of personnel and a safe operating environment.
- xxi. In case the situation deteriorates, the RO may assume the role of the IC and may seek support from the State level RO.
- xxii. Mobilise experts and consultants in the relevant fields to advise and assist as he may deem necessary.
- xxiii. Procure exclusive or preferential use of amenities from any authority or person.
- xxiv. Conduct post response review on performance of IRTs and take appropriate steps to improve performance; and
- xxv. Take other necessary action as the situation demands

INCIDENT COMMANDER:

The incident Commander (IC) is the overall in-charge for the management of onstic response to any incident. He is appointed / designated by the RO (CS/DM/DC). The IC may have a deputy with him depending upon the magnitude and nature of the incident. For his assistance and management of the incident there are two sets of staff: a) Command staff and b) General staff. The command staff comprises IC, Information & Media Officer (IMO), Safety Officer (SO), and the Liaison Officer (LO). Fig.1. gives the composition of Command staff in the IRS Organisation.

INCIDENT COMMANDER- ROLES & RESPONSIBILITIES:

- i. Obtain information on:
 - a) Situation status like number of people and the area affected etc.
 - b) Availability and procurement of resources;
 - c) Requirement of facilities like Incident Command Post (ICP), staging Area, Incident Base, Camp, Relief Camp, etc;
 - d) Availability and requirements of Communication system;
 - e) Future weather behaviour from Indian Meteorological Department (IMD); and
 - f) Any other information required for response from all available sources and analyse the situation.
- ii. Determine incident objectives and strategies based on the available and resources.
- iii. Establish immediate priorities, including search & rescue and distribution strategies.
- iv. Assess requirements for maintenance of law and order, traffic etc. if any at the incident site, and make arrangements with the help of the local police.
- v. Brief higher authorities on the situation and request for additional resources, if required.
- vi. Establish appropriate IRS organisation with sections, Branches, Divisions and/or Units based on the span of control and scale of the incident.
- vii. Establish Incident Command Post (ICP) at a suitable place. There will be one ICP even if the incident is multijurisdictional. Even a mobile van with complete communication equipment and appropriate personnel may be used as ICP. In case of total destruction of buildings, tents, or temporary shelters may be used. If appropriate or enough space is not available, other Section can function from a different convenient location. But there should be proper and fail safe contact with the ICP in order to provide quick assistance.
- viii. Ensure that the Incident Action Plan (IAP) is prepared.
- ix. Ensure that team members are briefed on performance of various activities as per IAP.
- x. Approve and authorise the implementation of an IAP and ensure that IAP is regularly developed and updated as per debriefing of IRT members. IT will be reviewed every 24 hours and circulated to all concerned.
- xi. Ensure that planning meetings are held at regular intervals. The meetings will draw out an implementation strategy and IAP for effective incident response. The decision to hold this meeting is solely the responsibility of the IC. Apart from other members, ensure that PSC attend all briefing and debriefing meetings.

- xii. Ensure that all sections or Units are working as per IAP.
- xiii. Ensure that adequate safety measures for responders and affected communities are in place.
- xiv. Ensure proper coordination between all Sections of the IRT, agencies working in the response activities and make sure that all conflicts are resolved.
- xv. Ensure that computerised and web based IT solutions are used for planning resource mobilisation and deployment of trained IRT members.
- xvi. Ensure that computerised and web based IT solutions are used for planning, resource mobilisation and deployment of trained IRT members.
- xvii. Consider requirement and resources, equipment which are not available in the functional jurisdiction, discuss with PSC and LSC and inform RO regarding their Procurements.
- xviii. Approve and ensure that the required additional resources are procured and issued to the concerned Sections, Branches and units etc. and are properly utilised. On completion of assigned work, the resources will be returned immediately for utilization elsewhere or to the department concerned.
- xix. If required, establish contact with PRIs, ULBs, CBOs, NGOs etc. and seek their cooperation in achieving the objectives of IAP and enlist their support to act as local guides in assisting the external rescue and relief teams.
- xx. Approve the deployment of volunteers and such other personnel and ensure that they follow the chain of command.
- xxi. Authorise release of information to the media.
- xxii. Ensure that the record of resources mobilised from outside is maintained so that prompt payment can be made for hired resources.
- xxiii. Ensure that Incident Status Summary (ISS) is completed and forwarded to the RO (IRS form-002 is enclosed at Annexure-II).
- xxiv. Recommend demobilisation of the IRT, when appropriate.
- xxv. Review public complaints and recommend suitable grievance redressal measures to the RO.
- xxvi. Ensure that the NGOs and other social organisations deployed in the affected sites are working properly and in an equitable manner.
- xxvii. Ensure preparation of After Action Report (AAR) prior to the demobilisation of the IRT on completion of the incident response.
- xxviii. Perform any other duties that may be required for the management of the incident.

- xxix. Ensure that the record of various activities performed (IRS Form-004 enclosed in Annexure-IV) by members of Branches, Divisions, Units/Groups are collected and maintained in the unit Log (IRS Form-003) enclosed at Annexure-III;and
- xxx. Perform such other duties as assigned by RO.

INFORMATION AND MEDIA OFFICER (IMO) – ROLES & RESPONSIBILITIES

The IMO is the point of contact to assist the IC for media briefing. He also initially documents ongoing activities of response. The roles and responsibilities of IMO are as follows.

- i) Prepare and release information about the incident to the media agencies and others with the approval of IC;
- ii) Jot down decisions taken and directions issued in case of sudden disasters when the IRT has not been fully activated and hand it over to the PS on its activation for incorporation in the IAP;
- iii) Ask for additional personnel support depending on the scale of incident and workload;
- iv) Monitor and review various media reports regarding the incident that may be useful for incident planning;
- v) Organise IAP meetings as directed by the IC or when required;
- vi) Coordinate with IMD to collect weather information and disseminate it to all concerned;
- vii) Maintain record of various performed as per IRS form-004 (enclosed in Annexure-IV);and
- viii) Perform such other duties as assigned by IC.

LIAISON OFFICER (LO) ROLES & RESPONSIBILITIES

The LO is the focal point of contact for various line departments, representatives of NGOs, PRIs and ULBs etc. participating in the response. The Lo is the point of contact to assist the first responders, cooperating agencies and line departments. The roles and responsibilities of LO are as follows.

- i) Maintain a list of concerned line departments, agencies (CBOs, NGOs, etc.) and their representatives at various locations;
- ii) Carry out liaison with all concerned agencies including NDRF and Armed Forces and line departments of Governments;

- iii) Monitor Operations to identify current or potential inter-agency problems;
- iv) Participate in planning meetings and provide information on response by participating agencies;
- v) Ask for personnel support if required;
- vi) Keep the IC informed about arrivals of all the Government and Non Government agencies and their resources;
- vii) Help in organising briefing sessions of all Government and Non Governmental agencies with the IC;
- viii) Maintain record of various activities performed as per IRS Form-004 (enclosed in Annexure-IV);and
- ix) Perform such other duties as assigned by IC;

SAFETY OFFICER (SO)-ROLES & RESPONSIBILITIES

The SOs function is to develop and recommend measures for ensuring safety of personnel, and to assess and/or anticipate hazardous and unsafe situation. The SO is authorised to stop or prevent unsafe acts. SO also give general advice on safety of affected communities. The roles and responsibilities of SO are as follows.

- i) Recommend measures for assuring safety of responders and to assess or anticipate hazardous and unsafe situations review it regularly;
- ii) Ask for assistants and assign for preparation as required;
- iii) Participate in planning meetings for preparation of IAP;
- iv) Review the IAP for safety implications;
- v) Obtain details of accidents that have occurred within the incident area if required or as directed by IC and inform the appropriate authorities;
- vi) Review and approve the site safety plan, as and when required;
- vii) Maintain record of various activities performed as per IRS Form-004 (enclosed in Annexure-IV);and
- viii) Perform such other duties as assigned by IC.

INCIDENT RESPONSE TEAM:

The incident Response Team (IRT) is a team comprising of positions like incident Commander (IC), Operations section Chief (OSC), Planning Section Chief (PSC) and Logistic and Finance Section Chief (L&FSC). It is headed by Incident Commander (IC). The OSC helps

to prepare different tactical operations as required. The PSC helps in obtaining different information's and preparing plans as required. The L&FSC assesses the availability and requirement of resources and takes action for obtaining them.

IRTs will function at State, District, Sub-Division and the Tehsil/Block levels. These teams will respond to all natural and man-made disasters.

The lowest administrative unit (Sub-Division, Tehsil or Block) will be the first responder as the case may be. If the incident becomes complex and is beyond the control of local IRT, the higher level IRT will be informed and they will take over the response management. In such cases the lower level IRT will merge with higher level IRT.

When a lower level of IRT (e.g. Block/Tehsil) merges with a higher level (e.g. Sub-Division, District or State) the role of IC of lower level of IRT will change. When the Block level IRT merges with Sub- Division level IRT, IC of the Block level may play the role of Deputy IC or OSC or any other duty that the IC of higher authority assigns. This process will be applicable at all levels.

The notified District Level Incident Response Team is at annexure-IV

OPERATIONS SECTION – ROLES & RESPONSIBILITIES

The Operation Section (OS) deals with all types of field level tactical operations directly applicable to the management of an incident. This section is headed by an Operation Section chief (OSC) and selection of OSC will however depend on the type and kind of Division and Groups which assist the Operation Section Chief (OSC) / Incident Commander(IC) in the execution of the field operations.

The OSC will report to the IC. He will be responsible for activation, deployment and expansion of his Section as per Incident Action Plan (IAP). As the operational activities increase and because of geographical reasons, the OSC will introduce or activate and expand the Branch into Divisions for proper span of control and effective supervision.

At state level IRT, Principal Secretary/ Senior most Secretary, Home Dept. and at district level IRT, Superintendent of Police (SP) will be the Operation Section Chief (OSC).

OPERATIONS SECTION CHIEF (OSC) – ROLES & RESPONSIBILITIES

- i) Coordinate with the activated Section Chiefs, i.e. Planning Section Chief, Logistic section Chief
- ii) Manage all field operations for the accomplishment of the incident objectives;
- iii) Ensure the overall safety of personnel involved in the OS and the affected communities;
- iv) Deploy, activate, expand and supervise organisational elements (Branch, Division, Group, etc.) in his Section in consultation with Incident Commander(IC) and in accordance with the Incident Action Plan (IAP);

- v) Request IC for providing a Deputy OSC for assistance, if required;
- vi) Brief the personnel in Operation Section at the beginning of each operational period, which should not be more than 24 hrs ;
- vii) Ensure resolution of all conflicts, information sharing, coordination and cooperation between the various Branches of his Section;
- viii) Prepare Section Operational Plan in accordance with the IAP; if required;
- ix) Suggest expedient changes in the IAP to the IC;
- x) Consult the IC from time-to-time and keep him fully briefed;
- xi) Determine the need for additional resources and place demands accordingly and ensure their arrival;
- xii) Ensure record of various activities performed
- xiii) Perform such other duties as assigned by RO/IC.

STAGING AREA (SA)

The SA is an area where resources are collected and kept ready for deployment for field operations. These may include things like food, vehicles and other materials and equipment.

The SA will be established at a suitable area near the affected site for immediate, effective and quick deployment of resources.

More than one SA may be established if required. If resources are mobilised at other locations to be ultimately despatched to the affected areas, these locations are also known as SAs. The overall in-charge of the SA is known as Staging Area Manager (SAM) and he needs to work in close liaison with both the LS and PS through the OSC.

At state level IRT, Commissioner & Spl. Secretary PWD (Road) and at district level IRT, District Transport Officer (DTO) will be the Staging Area Manager (SAM).

STAGING AREA MANAGER (SAM) – ROLES & RESPONSIBILITIES

- i) Establish the SA with proper layout, maintain it in an orderly condition and ensure that there is no obstruction to the incoming and outgoing vehicles, resources etc.;
- ii) Organise storage and despatch of resources received and despatch it as per Incident Action Plan (IAP);
- iii) Report all receipts and despatches to Operation Section Chief(OSC) and maintain their records;
- iv) Manage all activities of the Staging Area;
- v) Utilise all perishable supplies expeditiously;
- vi) Establish check-in function as appropriate;
- vii) Request maintenance and repair of equipment at Staging Area, as needed;

- viii) Ensure that communications are established with the Incident Command Post and other required locations e.g. different SAs, Incident Base, Camp, Relief Camp etc.;
- ix) Maintain and provide resource status to Planning Section and Logistic Section;
- x) Demobilise Staging Area in accordance with the Demobilisation Plan
- xi) Maintain record of various activities performed to Sections concerned; and
- xii) Perform any other duties as assigned by O
- xiii) SC.

RESCUE & RESPONSE BRANCH

Response Branch is the main responder in the field dealing with the situation and performing various functions. Depending on the scale of disaster, the RBD may have to expand the number of Groups which in turn may require creation of Division. This structure is meant for close supervision by the OSC in the management of a large incident.

The ideal span for supervision is 1:5, i.e., one Branch Director can supervise up to five Divisions, one Division Supervisor can supervise up to five Groups and one Group-in-charge can supervise five teams. More Branches, Divisions, Groups may be formed as required.

In case of Natural Disaster at state level, Director, Fire & ES and at district level, Senior Station Officer, Fire & ES will be the Rescue & Response Branch Director (RBD).

In case of Epidemic & Health Hazard at state level, Director, Health & FW Dept. and at district level, Joint Director, Health & FW Dept. will be the Rescue & Response Branch Director (RBD).

In case of Manmade Disaster at state level, Addl. Director General of Police (ADGP), Law & Order and at district level, Superintendent of Police will be the Rescue & Response Branch Director (RBD).

RESCUE & RESPONSE BRANCH DIRECTOR (RBD) – ROLES & RESPONSIBILITIES

- i) Work under the supervision of the Operation Section Chief (OSC) and is responsible for the implementation of Incident Action Plan (IAP) as per the assigned role;
- ii) Attend planning meetings as required by the OSC;
- iii) Review Assignment Lists for Divisions or Groups under his Branch;
- iv) Assign specific tasks to Division and Groups-in-Charge;
- v) Supervise Branch functions;
- vi) Resolve conflicts reported by subordinates;
- vii) Report to OSC regarding modifications required if any in the IAP, need for additional resources, availability of surplus resources and when hazardous situations or significant events occur, etc.
- viii) Provide Single Resource, Strike Team and Task Force Support to various operational areas;
- ix) Ensure that all team leaders maintain record of various activities performed relating to their field Operations and send to OSC, and

- x) Perform any other duties assigned by the OSC.

DIVISION SUPERVISOR AND GROUPS-IN-CHARGE

Except for the hierarchical difference, the roles and responsibilities of the Division Supervisors and the Groups-in-charge are the same.

Divisions are activated when there are supervisory requirements in an isolated and distant geographical area or for the purpose of a proper span of control when the number of functional Groups increases or for various specialized response. While Groups-in-charge are assigned to accomplish specific functions within the Branch, Divisions are created for effective supervision over a large number of Groups.

DIVISION SUPERVISOR AND GROUPS-IN-CHARGE – ROLES & RESPONSIBILITIES

- i) Implement Division or Group assignment list;
- ii) Assign resources within the Division or Group under them;
- iii) Report on the progress of Operations, and the status of resources within the Division or Group,
- iv) Circulate Organizational Assignment List (IRS Form-005) (Divisional/Group) to the leaders of the Group, Strike Team and Task Force;
- v) Review assignments and incident activities with subordinates and assign tasks as per the situation;
- vi) Coordinate activities with adjacent Divisions or Groups, if required;
- vii) Submit situation and resource status to the RBD and the OSC;
- viii) Report all hazardous situations, special occurrences or significant events (e.g., accidents, sickness, deteriorating weather conditions, etc.) to the RBD and the OSC;
- ix) Resolve problems within the Division or Group;
- x) Participate in the development of IAP for next operational period, if required;
- xi) Ensure that record of various activities performed (IRS Form-004) are collected and sent to the RBD/OSC.
- xii) Perform any other duties as assigned by the RBD/OSC.

SINGLE RESOURCE

Single Resource includes both personnel and their required equipment to be deployed in a given incident, e.g. a fire tender with the required personnel, an ambulance with the required medical officer, paramedic and driver etc.

SINGLE RESOURCE LEADER – ROLES & RESPONSIBILITIES

- i) Take charge of necessary equipment and supplies;

- ii) Assess local weather and environmental conditions, law and order situation etc. in the assigned area and report to the in-charge;
- iii) Perform the assigned duty;
- iv) Keep contact with his supervisor; and
- v) Perform any other duties that may be assigned by his supervisor.

STRIKE TEAM OR TASK FORCE

A strike Team is a combination of same kind and type of Single Resource with a common communication facility and one leader.

A Task Force is a combination of different kinds and types of Single Resources. They are assembled for a particular tactical need, with a common communication facility and one leader.

A Strike Team may be needed when specific type of work, requiring specific expertise and resources are grouped under one leader.

STRIKE TEAM OR TASK FORCE LEADER – ROLES & RESPONSIBILITIES

- i) Review assignment with members of his team;
- ii) Report on work progress;
- iii) Coordinate activities with adjacent Single Resource, Strike Teams and Task Forces if assigned;
- iv) Establish and ensure communications;
- v) Perform any other duties assigned; and
- vi) Maintain record of various activities.

TRANSPORTATION BRANCH (TB)

The Transport Branch in the OS supports the response effort by transporting different resources, relief materials, personnel to the affected site and also transportation of victims if necessary.

Though there is a Ground Support Unit (GSU) in the LS which is responsible for providing all transportation and other related sources, the TB in the OS manages the actual deployment and utilisation of the transport at ground zero according to the needs of the IRT and the IAP.

All functional Groups (Road, Rail, Water and Air) of the TB are managed by the TBD. Since the air transportation is to be coordinated at the State and District levels, the TBD also needs to function in close coordination with RO, IC and NO for Air Operations. He will collect the details of all related flights from the concerned NO and organise the ground support requirement.

The TBD will also responsible for the activation and expansion of various functional Groups as per the IAP. At state level IRT, Commissioner, Transport and at district level IRT, District Transport Officer (DTO) will be Transport Branch Director (TBD).

TRANSPORTATION BRANCH DIRECTOR (TBD) – ROLES & RESPONSIBILITIES

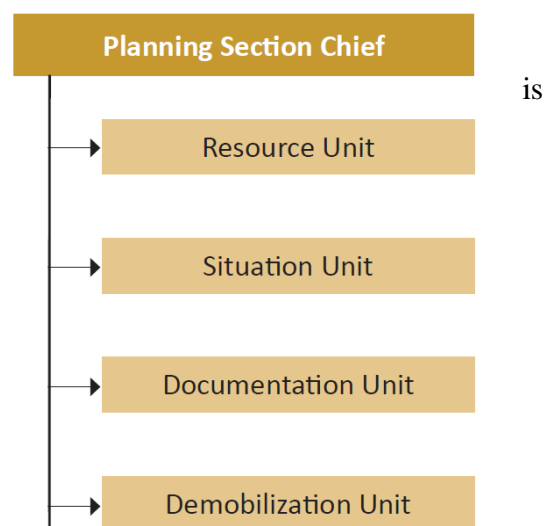

- i) Activate and manage different Operations Groups like Road, Rail, Water and Air;
- ii) Coordinate with the LS for required resources, and activate Groups of his Branch;
- iii) Coordinate with railways, road transport, waterways and airport authorities for support as required;
- iv) Ensure that Organisational Assignment List (Divisional/Group) is circulated among the Group-in-charge(s) and other responders of his Branch.
- v) Provide ground support to the air operations and ensure appropriate security arrangements;
- vi) Provide Road transport support to the Rail and Water Operations Group as required;
- vii) Ensure safety of all personnel of his Branch involved in the Incident Response activities;
- viii) Ensure that all units moving in the area are familiarised with route with the help of road maps or local guides;
- ix) Report to the Operation Section Chief (OSC) and Incident Commander (IC) about Progress of the TB.
- x) Prepare transportation plan as per the Incident Action Plan (IAP), if required;
- xi) Determine the need for additional resources, their proper and full use and place demand accordingly in advance;
- xii) Resolve problems and conflicts, if any;
- xiii) Ensure the maintenance of the status of hired resources, their full utilisation and timely release;
- xiv) Ensure that the record of various activities performed by different operational groups (Road, Rail, Water and Air) are collected and sent to the Section concerned; and
- xv) Perform any other duties assigned by the Incident Commander (IC) or Operation Section Chief (OSC);

The TB may comprise four operational Groups such as Road, Rail, Water and Air. These groups may be activated as and when required.

Air Operations is an important transportation activity during disasters which requires coordination at the National, State and District level. For coordination of Air Operations, the Responsible Officer (RO) of the State will identify and designate a Nodal Officer (NO) for Air Operation.

Planning Section (PS) comprises Resource unit, situation Unit, Documentation unit and Demobilisation Unit (Ref the Figure). The Section headed by a chief know as Planning Section Chief (PSC).

The Planning Section Chief (PSC) is responsible for collection evaluation, dissemination and use of information. It Keeps track of the developing scenario and status of the resources. In case of need, the PS may also have Technical Specialist for addressing the technical planning matters in the management of an incident. A list of such specialists will be kept available in the PS. The PSC reports to the Incident Commander (IC) and will be responsible for the activation of Units and deployment of personnel in his Section as per requirement.

PLANNING SECTION CHIEF (PSC) – ROLES & RESPONSIBILITIES

At state level IRT, CEO, ASDMA and at district level IRT, Addl. Deputy Commissioner (ADC), Development will be the Planning Section Chief (OSC).

The role & responsibilities of PSC are as follows:

- i. Coordinate with the activated Section Chiefs for planning and preparation of IAP in consultation with IC,
- ii. Ensure that decisions taken and directions issued in case of sudden disasters when the PS has not been activated are obtained from the IMO (Command Staff) and incorporated in the IAP;
- iii. Ensure collection, evaluation, and dissemination of information about the incidents including weather, environment toxicity, availability of resources etc. from concerned departments and other sources. The PS must have a databank of available resources with their locations from where it can be mobilised;
- iv. **Coordinate by assessing the current situation, predicting probable course of the incident and preparing alternative strategies for the Operations by preparing the Incident Action Plan (IAP). The IAP contains objectives reflecting the overall incident strategy and specific tactical actions and supporting information for the next operational period (24 hours is considered as one operational period). The plan may be oral or written. Written plan may have a number of attachments, including incident objectives & organisation assignment list.**

The major steps for preparing IAP are as follows—

- a) Initial information and assessment of the damage and threat.
- b) Assessment of resources required.
- c) Formation of incident objectives and conducting strategy meetings.
- d) Operations briefing.
- e) Implementation of IAP.
- f) Review of the IAP; and
- g) Formulation of incident objectives for the next operational period, if required.
- v. Ensure that Incident Status Summary is filled and incorporated in the IAP.

- vi. Ensure that Organisational Assignment List (Divisional/Group) is circulated among the Unit leaders and other responders of his Section.
- vii. Plan to activate and deactivate IRS organisational positions as appropriate, in consultation with the Incident Commander (IC) and Operation Section Chief (OSC).
- viii. Determine the need for any specialised resources for the incident management;
- ix. Utilise IT solutions for pro-active planning GIS for decision support and modelling capabilities for assessing and estimating casualties and for comprehensive response management plan.
- x. Provide periodic projections on incident potential.
- xi. Report to the Incident Commander (IC) of any significant changes that take place in the incident status.
- xii. Compile and display incident status summary at the Incident Command Post (ICP).
- xiii. Oversee preparation and implementation of Incident Demobilisation plan.
- xiv. Assign appropriate personnel, keeping their capabilities for the tasks in mind and maintain.
- xv. Ensure that record of various activities performed by members of Units are collected and maintained in the Unit Log
- xvi. Perform any other duties assigned by IC.

SITUATION UNIT LEADER (SUL)

At state level IRT, Project Manager (Response & Recovery), ASDMA and at district level IRT Project Officer DDMA will be the Situation Unit Leader.

Roles & Responsibilities of SUL—

- (i) Collect, process and organise all incident information as soon as possible for analysis. For such purposes, he can take the help of members of the Single Resource, Task Forces, Strike Teams, field level Government officers and members of PRIs, CBOs. NGOs etc.
- (ii) Prepare periodic future projections of the development of the incident along with maps (if required) and keep the Planning Section Chief (PSC) and Incident Commander (IC) informed.
- (iii) Prepare situation and resource status reports and disseminate as required;
- (iv) Provide authorised maps, photographic services to responders, if required;
- (v) Attend Incident Action Planning (IAP) Meeting with required information, data, documents and Survey of India map etc. ;
- (vi) Maintain record of various activities performed and send to section concerned and
- (vii) Perform such other duties assigned by Planning Section Chief.

RESOURCE UNIT LEADER (RUL)

At state level IRT, Project Officer (Response & Recovery), ASDMA and at district level IRT Project Officer DDMA will be the Resource Unit Leader.

ROLES & RESPONSIBILITIES—

- i) Maintain and display the status of all assigned resources (Primary and Support) at the incident site by overseeing the check- in of all resources, and maintaining a resource status-keeping system. Primary resources are meant for responders and support resources are meant for affected communities.
- ii) Compile a complete inventory of all resources availability. RUL will also access information about availability of all required resources at other locations and prepare a plan for their mobilisation, if required IDRN, CDRN and IDKN facilities will also be used for this purpose.
- iii) Ensure and establish Check-in function at various incident locations;
- iv) Update the Planning Section Chief (PSC) and Incident Commander (IC) about the status of resources received and despatched from time to time;
- v) Coordinate with the various activated Branches, Divisions and Groups of Operation Section (OS) for checking status and utilisation of allotted resources.
- vi) Ensure quick and proper utilisation of perishable resources.
- vii) Maintain record of various activities performed and send to Section concerned and
- viii) Perform any other duties assigned by Planning Section Chief.

DOCUMENTATION UNIT LEADER (DUL)

At state level IRT, Project Officer (Awareness), ASDMA and at district level IRT Field Officer, DDMA will be the Documentation Unit Leader.

ROLES & RESPONSIBILITIES

- i. Ensure that all the required forms and stationary are procured and issued to all the activated Sections, Branches, Divisions, Groups and Units.
- ii. Compile all information and reports related to the incident.
- iii. Review and scrutinise the records and various IRS form for accuracy and completeness.
- iv. Inform appropriate Units of errors or omissions in their documentation, if any and ensure that errors and omissions are rectified.

- v. Store files properly for post-incident analysis.
- vi. Maintain records of various activities performed and send to Sections concerned, and
- vii. Perform any other duties as assigned by the Planning Section Chief (PSC).

DEMOBILISATION UNIT LEADER (DEMOB. UL)

At state level IRT, Administrative Officer, ASDMA and at district level IRT Field Officer/ Technical Officer, DDMA will be the Demobilization Unit Leader.

ROLES & RESPONSIBILITIES—

In the management of a large incident, demobilisation can be quite a complex activity and requires proper and separate planning. When the disaster response is nearing completion, the resources mobilised for response need to be returned. This should be done in a planned and phased manner.

Demobilisation requires organising transportation of both equipment and personnel to a large number of different places both near and far away. The Demobilization Unit will prepare the demobilisation plan in consultation with Responsible Officer (RO), Incident Commander (IC) and Planning Section Chief (PSC). The plan should include the details of the responders to be demobilised, the date, mode of transport, location from where they will be demobilised, the destination where they have to finally reach etc. There will be a similar plan for out.

LOGISTIC SECTION CHIEF (LSC) – ROLES & RESPONSIBILITIES

The section is headed by a chief known as the Logistic Section Chief (LSC). The activation of various Branches of the Logistic Section is context specific and would depend on the enormity and requirements of the incident. The Finance Branch (FB) constitutes an important component Logistic Section.

At state level, Principal Secretary or Senior most Secretary, Food & Civil Supply Dept. will be the Logistic & Finance Section Chief (L&FSC) and at district level, Addl. Deputy Commissioner, Nazarat will be the L&FSC.

The roles & responsibilities of LSC are follows:-

- i) Coordinate with the activated Section Chiefs.
- ii) Provide logistic support to all incident response effort including the establishment of Staging Area, Incident Base, Camp, Relief Camp, Helipad etc.
- iii) Participate in the development and implementation of the Incident Action Plan (IAP).
- iv) Keep Responsible Officer (RO) and Incident Commander (IC) informed on related financial issues.
- v) Ensure that Organisational Assignment list is circulated among the Branch Directors and others responders of his Section.
- vi) Request for sanction of Impress Fund, if required.
- vii) Supervise the activated Units under his Section.
- viii) Ensure the safety of the personal of his Section.
- ix) Assign work location and preliminary work tasks to Section Personnel.

- x) Ensure that a plan is developed to meet the logistic requirement of the Incident Action Plan (IAP).
- xi) Anticipate over all logistic requirements for relief Operations and prepare accordingly.
- xii) Constantly review the Communication plan, Medical Plan and traffic plan to meet the changing requirements of the situation.
- xiii) Assess the requirement of additional resources and take steps for their procurement in consultation with the RO and IC.
- xiv) Provide logistic support for the victims as approved by the RO and IC.
- xv) Ensure release of resources in conformity with the number of victims.
- xvi) Ensure that the hiring of the requisitioned resources is properly documented and paid by the Finance Branch.
- xvii) Assign appropriate personal keeping their capabilities for the tasks to be carried out and maintain on duty officer list.
- xviii) Ensure that cost analysis of the total response activities is prepared.
- xix) Ensure that record of various activities performed by member of Branches and unites are collected and maintained in the Unit Log.
- xx) Perform any other duties as assigned by RO or IC.

SERVICE BRANCH DIRECTOR (SBD) – ROLES & RESPONSIBILITIES

At state level IRT, Commissioner & Secretary, Health & Family Welfare Dept. and at district level EAC Rank Officer of Nazarat will be the Service Branch Director (SBD).

The roles & responsibilities of SBD are follows:-

- i. Work under the supervisor of Logistic & Finance Section Chief (L&FSC), and manage all required services support for the incident management.
- ii. Manage and supervisor various Units of the branch like Communication Unit, Medical Unit, Flood Unit and any other activated Unit.
- iii. Discuss with activated Unit leaders for the materials and resources required and procure the same through L&FSC.
- iv. Ensure proper despatch of personnel, teams, resources etc. as per the Incident Action Plan (IAP).
- v. Prepare an assignment list, if required.
- vi. Keep the L&FSC informed about the progress of service Branch, from time -to-time.
- vii. Resolve Service Branch problems, if any.
- viii. Maintain record of various activities performed and send to sections concerned, and
- ix. Perform any other duties assigned by the Incident Commander (IC) and Logistic & Finance Section Chief (L&FSC).

Communication Unit Leader (Com. UL) -Roles & Responsibilities

At state level IRT, Superintendent of Police, Assam Police Radio Communication (APRO) and at district level In-charge, APRO will be the Communication Unit Leader.

The roles & responsibilities of SBD are follows:-

- i) Work under the direction of the Service Branch leader/ Director.
- ii) Provide communications facility as and when required.
- iii) Ensure that all communication equipments available are in working condition and that the network is functional.
- iv) Supervise Communication Unit activities.
- v) Maintain the records of all communications equipment deployed in the field.
- vi) Recover equipment provided by Communication Unit after the incident is over. Ensure that it is properly liked with the IDP.
- vii) Ensure setting up of a message centre to receive and transmit radio, telephone and other massages from various activated Sections, Branches, Units and higher authorities and maintain their record.
- viii) Prepare an alternative communication plan for execution in case of possible failure of the normal communications network. The alternative communications network may have wireless, satellite phones, cell phones, HAM radios, etc.
- ix) Prepare a plan for integration of the communications set up of the central teams (NDRF, Armed Forces) with the local communications set up for management of large scale disasters when they come to assist in the response effort.
- x) Ask for and ensure adequate staffing support.
- xi) Ensure that the communications plan is supporting the Incident Action Plan (IAP).
- xii) Demobilise communications Centre in accordance with the IDP.

Medical Unit Leader (MUL) Roles & Responssibilities

At state level IRT, Director, Health & Family Welfare Dept. and at district level CM & HO, Health & Family Welfare Dept. will be the Medical Unit Leader.

The roles & responsibilities of MUL are follows:-

- i) Work under the direction of the Service Branch Director (SBD).
- ii) Prepare the Medical Plan and procurement of required resources as per Incident Action Plan (IAP), provide medical aid and ambulance for transportation of victims and maintain the records of the same, as given in IRS of the area from the PS for the ambulance services, transportation of medical personnel and victims.
- iii) Respond to requests of the OS for medical aid, transportation and medical supplies etc. under intimation to the Service Branch Director (SBD) and Logistic & Finance Section Chief (L&FSC).
- iv) Maintain the list of medical personnel who could be mobilised in times of need;
- v) Requisition more human resources as and when required to meet the incident objectives;

- vi) Prepare and circulate list of referral service centres to all medical team leaders;
- vii) Maintain record of various activities performed and send to SBD and
- viii) Perform any other duties assigned by the SBD and L&FSC

Food Unit Leader (FUL) – Roles & Responsibilities

At state level IRT, Director, Food & Civil Supply Dept. and at district level IRT Director, Food & Civil Supply Dept. will be the Food Unit Leader.

The roles & responsibilities of FUL are follows:-

- i) Work under the direction of the Service Branch Director (SBD)
- ii) Supply resources to various activities Sections, Branches, Unit and Groups of IRT as direction of the SBD.
- iii) Supply food to: a) Personal of IRT(s) at ICP, Camps, Incident Base, SA, etc. and b) Victims at the temporary shelters, relief camps etc.;
- iv) Request for assistants if the task becomes very large. The full may request the L & FSC to spilt the unit into two groups- one to supply food for personal and another for victims. Requisition transport for supply of food to incident base, relief camps and other facilities;
- v) Determine food and drinking water requirements and their transportation, and brief the SBD and Logistic & Finance Section Chief (L& FSC);
- vi) Maintain an inventory of receipt and despatch of resources;
- vii) Supervise the Unit activities;
- viii) Maintain record of various activities performed and send to SBD; and
- ix) Perform any other duties assigned by the SDB and L&FSC.

SUPPORT BRANCH DIRECTOR (SUP. BD) – ROLES & RESPONSIBILITIES

At state level IRT, Commissioner & Spl. Secretary, PWD (Building) Dept. and at district level IRT, SDO-Sadar or equivalent rank officer will be the Support Branch Director (Sup BD).

The roles & responsibilities of Sup. BD are follows:-

- i. Work under the supervision of Logistic & Finance Section Chief (L&FSC), and supervise the function of Resource Provisioning Unit, Facility Unit and Ground Support Unit;
- ii. Procure and despatch required tactical materials and resources for Operations with the concurrence of the Section Chief.
- iii. Participate in the planning meeting of the Logistic & Finance Section (L&FS).

- iv. Ensure that organisation assignment list concerning the Branch is circulated to Units under him.
- v. Coordinate various activities of the Support Branch.
- vi. Keep the L&FSC informed about the progress of work.
- vii. Resolve problems within his unit, if any.
- viii. Maintain record of various activities performed and send to Section Concerned.
- ix. Perform any other duties as assigned by L&FSC.

Resource Provisioning Unit Ledged (RPUL)- Roles & Responsibilities

At state level IRT, Chief Engineer, PWD (Road) Dept. and at district level IRT, Executive Engineer, PWD (Road) Dept. will be the Resource Provisioning Unit Leader (RPUL).

The roles & responsibilities of RPUL are as follows:-

- i) Work under the supervision of Support Branch Director (Sup. BD);
- ii) Organise movement of personnel equipment and supplies
- iii) Receive and store safely all supplies required for the incident response;
- iv) Maintain the inventory of supplies and equipment,
- v) Maintain the records of receipt and despatch of supplies including equipment and personnel;
- vi) organise repair and servicing of non- expendable supplies and equipment;

Facilities Unit Leader (Fac. UL) Roles & Responsibilities

At state level IRT, Chief Engineer, PWD (Building) Dept. and at district level IRT, Executive Engineer, PWD (Building) Dept. will be the Facilities Unit Leader (Fac. UL).

The roles & responsibilities of Fac. UL are as follows:-

- i) Prepare the layout and activation of incident facilities, e.g. ; Incident Base, Comp(s), Relief Camp (s), ICP etc. and provide basic amenities to the responders.
- ii) Report to the Support Branch Director (Sup. BD).
- iii) Locate the different facilities as per the IAP;
- iv) Participate in the planning meeting of the Section, prepare list for each facilities and its requirements in coordination with the L&FSC;
- v) Ask for additional personnel support if required to monitor and manage facilities at Incident Base and Camp etc.
- vi) Maintain record of various activities performed and send to Sup. BD and
- vii) Perform such other duties as assigned by the Sup. BD.

Ground Support Unit Leader (GSUL)- Roles & Responsibilities

At state level IRT, Chief Engineer, Public Health Engineering (PHE) Dept. and at district level IRT, Executive Engineer, Public Health Engineering (PHE) Dept. will be the Ground Support Unit Leader (GSUL).

The roles & responsibilities of GSUL are as follows:-

- i) Work under the supervision of the Support Branch Director (Sup. BD).
- ii) Provide transportation services for field operations to Transport Branch Director (TBD).
- iii) In case Air Operations are activated, organise and provide required ground support through TBD.
- iv) Provide maintenance and repair services for all the vehicles and related equipment used for incident management as per proper procedures and keep the concerned line departments informed through the Sup. BD and Logistic & Finance Section Chief (L & FSC).
- v) Develop and implement the Incident Traffic Plan.
- vi) Inform Resources Unit about the availability and serviceability of all vehicles and equipment.
- vii) Arrange for and activate fuelling requirements for all transport including Aircrafts in consultation with the Sup. BD.
- viii) Maintain inventory of assigned, available and off road or out of service resources.
- ix) Ensure safety measures within his jurisdiction.
- x) Maintain record of various activities performed and send to the Sup. BD and
- xi) Perform any other duties as assigned by the Sup. BD.

FINANCE BRANCH DIRECTOR (FBD) - ROLES & RESPONSIBILITIES

The FB is responsible for managing all financial aspects of response management. The FB has been kept under the L & FS for quick and effective procurement. Due diligence is very important in all financial transactions and proper procedure needs to be followed. Special precautions will be taken in selecting knowledgeable and experienced personnel conversant with the financial rules for functioning in this Branch.

At state level IRT, Commissioner & Secretary, Finance (ECII) Dept. and at district level IRT, SDO-Sadar or EAC Rank Officer will be the Finance Branch Director (FBD).

The roles and responsibilities of the Finance Branch Director (FBD) are as Follows:

- i) Work under the Logistic & Finance Section Chief (L & FSC).
- ii) Attend planning meetings.
- iii) Prepare a list of resources to be mobilised, procured or hired in accordance with the IAP. Obtain orders of the competent authority as per financial rules and take steps for their procurement without delay.
- iv) Ensure that time records of hired equipment, personal and their services are accurately maintained as per Government norms for payment.
- v) Examine and scrutinise cost involved in the entire response activity including the demobilisation, analysis the cost effectiveness and keep the L & FSC informed.

- vi) Ensure that all obligation documents initiated at the incident are properly prepared, completed, verified and signed by the appropriate Section Chief and BD.
- vii) Brief the L & FSC or Incident Commander (IC) on all incident related financial issues needing attention or follow-up.
- viii) Maintain record of various activities performed and send to Section concerned; and
- ix) Perform any other duties as assigned by the L & FSC or IC.

Time Unit Leader (TUL) Roles & Responsibilities

At state level IRT, Deputy Secretary, Finance (ECII) Dept. and at district level IRT, Nazir will be the Time Unit Leader (TUL).

The roles and responsibilities of the Time Unit Leader (TUL) are as Follows:

- i) Maintain time recording of hired equipment and personnel and ensure that it is maintained on a daily basis and according to government norms;
- ii) Examine logs of all hired equipment and personnel with regard to their optimal utilisation;
- iii) Ensure that all records are correct and complete prior to demobilisation of hired resources;
- iv) Brief the FBD on current problems with recommendations on outstanding issues, and any follow-up required;
- v) Ask for additional support of human resources for assistance, if required;
- vi) Maintain record of the activities performed and send to Finance Branch Director (FBD) and
- vii) Perform any other duties assigned by the FBD.

Compensation / Claims Unit Leader (Com / CUL)

DM Act 2005, Section 65 and 66 provides for payment of compensation. Payments are also to be made for requisitioned premises, hired services, resources and vehicles for the purpose of disaster response and rescue operations etc. The Government may also decide to make ex-gratia payments depending upon the magnitude and quantum of damage.

There are some benchmarks for quantifying the level of loss different scenarios like flood, drought, etc. While some states may have their own norms for such purposes the Govt has also laid down the CRF Norms which should be followed. If the incident is such that there may be a requirement of making payments concerning compensations and claims, the IC in consultation with the RO will activate a Compensation / Claims Unit and appoint a leader to collect and compile figures of loss of life and property etc. as provided by the relevant Government norms and directions of CRF norms. The leader in such cases should be advised to get photographs taken of the damages that may have occurred and even get the photographs of the dead victims and animals. He will also compile details of premises requisitioned services and resources hired

for which payments have to be made. These details should be sent to RO through IC for further necessary orders and payments.

At state level IRT, Deputy Secretary, Finance (ECII) Dept. and at district level IRT, Branch Officer, Relief Branch will be the Compensation & Claims Unit Leader (Com / CUL).

The roles and responsibilities of Com. & CUL are as follows:

- i) Collect all cost data and provide cost estimates;
- ii) Prepare and maintain a list of requisitioned premises, services, resources and vehicles, etc. with correct data and time of such requisition.
- iii) Follow appropriate procedures for preparation of claims and compensation.
- iv) Requisition additional human resources, if required.
- v) Maintain record of various activities performed and send to Finance Branch Director (FBD) and
- vi) Perform any other duties as assigned by the FBD.

Procurement Unit Leader (PUL) Roles & Responsibilities

At state level IRT, Director, Finance Dept. and at district level IRT, Finance & Accounts Officer (FAO) will be the Procurement Unit Leader (PUL).

The roles and responsibilities of Procurement Unit Leader (PUL) are as follows:

- i) Attend to all financial matters pertaining to vendors and contracts;
- ii) Review procurement needs in consultation with the Finance Branch Director (FBD).
- iii) Prepare a list of vendors from whom procurement can be done and follow proper procedures.
- iv) Ensure all procurements ordered are delivered on time.
- v) Coordinate with the FBD for use of imp rest funds, as required.
- vi) Complete final processing of all bills arising out of the response management and send documents for payment with the approval of the FBD, Logistic & Finance Section Chief (L&FSC) and Incident Commander (IC).
- vii) Brief FBD on current problems with recommendations on outstanding issues and follow-up requirements.
- viii) Maintain record of activities performed and send to FBD and
- ix) Perform any other duties as assigned by the FBD.

Cost Unit Leader (CUL)- Roles & Responsibilities

The CUL is responsible for collecting all cost data, and providing cost estimates. At the end of the response the CUL provides cost effectiveness analysis. The roles and responsibilities of CUL are as follows.

At state level IRT, Director, Finance Dept. and at district level IRT, Branch Officer, Relief Branch will be the Cost Unit Leader (CUL).

The roles and responsibilities of Cost Unit Leader (CUL) are as follows:

- i) Develop incident cost summaries in consultation with the Finance Branch Director (FBD) on the basis of Cost Analysis Report.

District Disaster Management Plan 2024-2025, Barpeta

- ii) Make cost-saving recommendation to the FBD.
- iii) Complete all records relating to financial matters prior to demobilisation.
- iv) Maintain record of various activities performed and send to FBD and
- v) Perform any other duties as assigned by the FBD.

Line Department Response Plan:

Sl. No.	Name of the Department	Action to be taken	Responsible person
1.	Health	<ul style="list-style-type: none"> a. Alert sub-ordinate officers and staff for emergency on receipt of warning. b. Check vehicles, equipment, stores etc. and draw up tentative programme of action. c. Immediately visit the affected areas along with one medical relief team. d. Start measures for health relief in an institution located conveniently in the affected area. e. Make immediate arrangements to open additional camp dispensaries, if necessary. f. Utilize the services of Red Cross and other VOs. g. Frequently visit the affected areas and ensure effectiveness of health measures. h. Decide immediately on isolation of certain patients if necessary and arrange for isolation wards. i. Strengthening of drug supply system with powers for local purchase during LO. j. Situational assessment and reviewing the status of response mechanisms in known vulnerable pockets. k. Ensure adequate availability of personnel in disaster sites. l. Review and update precautionary measures & procedures and apprise the personnel who will be implementing those. 	Joint Director Health & Family Welfare Service.

District Disaster Management Plan 2024-2025, Barpeta

		<ul style="list-style-type: none"> m. Disinfections of water bodies and drinking water sources. n. Immunization against infectious diseases. o. Ensure continuous flow of information. 	
2.	Water Resource	<ul style="list-style-type: none"> a. Start vigorous patrolling along embankments, dykes and other flood protection structures as soon as the river reaches one metre of the danger level. b. Dissemination of flood warning. c. Ensure accurate dissemination of warning messages to District Administration, Project Officer (ASDMA), Circle Officers, GP officials & BDO's with details of flow & likely damage. d. Examine physical conditions of the embankments, dykes and ensure any leakage, seepage are promptly attended to. e. Take protective measures without loss of time in case of any sign of breach. f. Digging of link drains and other drains to drain outstanding floodwater after floodwater recedes. 	Executive Engineer, Water Resource
3.	PHED	<ul style="list-style-type: none"> a. Alert sub-ordinate officers and staff for emergency on receipt of warning. b. Check vehicles, equipment, stores etc. and draw up tentative programme of action. c. Visit the affected areas immediately along with team and start water supply measures. d. Disinfections and continuous monitoring of water bodies. e. Ensuring provision of water to hospitals and other vital installations. f. Carrying out emergency repairs of damaged water supply systems. g. Arrangement and distribution of emergency tool kits for equipments required for 	Executive Engineer, PHED

District Disaster Management Plan 2024-2025, Barpeta

		dismantling and assembling tube wells, etc.	
4.	Police	<ul style="list-style-type: none"> a. Traffic management and patrolling of all highways and other access roads to disaster sites. b. Making sure that discipline is maintained. c.
